Maybe I should go get some coffee at a café.

I've never used this train so I guess I left too early.

I still have an hour.

We're supposed to meet at the station entrance at one o'clock.

Please get away!

Ah! Densuke!

Eeek!

Ah!

THE BRAKES WON'T WORK!

Please move!

Please make way!

It's Teacher...

Would you like to come over?

I'm thinking about cooking udon noodles at my house this Sunday.

Densuke...

I'd be happy to...

W... Well... Um...

Are you asking me?

Huh?

Sunday...

It's an udon party. Everyone is invited.

Yeah right.

I'm not getting the wrong idea...

Don't get the wrong idea, Densuke! We're going too!

Gya!

That means
I'm the first
person to
ever eat
Teacher's
cooking.

Really...

I hope
she didn't
mess up
the salt
and sugar...

Sure.

I've tasted
it so much
I can't tell
anymore.

Would it be
possible if
you can
have a
taste?

Teacher's really pretty...

She looks even more
attractive when she's cooking.

Huh? Did I
do something
wrong?

No, I'll go
set up
the table.

It's really
good!

Ah...

R... Really?

Thank
god!

I... see...

I was nervous
because it's
the first time
I'm cooking
for someone
else.

Hot!

I'll stop it!

You put too much water in the pot!

No, I'm just going to get the water ready so we can boil the udon whenever.

You're going to boil the udon already?

I'll get the water boiling.

Densuke's burned!

What should I do?

D... Densuke.

Ow...

Hot!

I finished setting the table.

I put some udon in but then it started to boil over...

oh...

Hot!

Hot!

Teacher... You twisted it too much...

Aah!

Grah!

You have to cool it down.

What's wrong?

Hot!

Um...
Teacher...
Aaaa...
You're
naked...

It's okay...

I'm
sorry I did
it again...

Ahh!

It hurts
more than it
hurts
you!

I can't concentrate.

It's nice seeing a
classic but...

Okay...

Let's not
look at
each other.

Yes...

I've always
looked up to
Teachers so...

You
have a
lot of
school
soap
operas.

They're
all drama
series about
Teachers.

I used
to watch
the reruns.

It's about
a rugby
Teacher
right?

It's
School
Wars.

Wait, is
this...

I still cry
when I see that
scene where
Grimm designs
the uniform.

I love
this
drama
too! ♥

Ah!

Do you
want to
watch it?

I lose sight of everything when I'm caught up in something.

I fall in the ditch, get chased by dogs... Something awkward always happens to me...

.....

Huh?
Where did she go?

A naked teacher is next to me...

Gah!

This is the best scene.

It's okay!

Eek!
Sorry Densuke!

Huh?

You're too close to the TV...

Um... Teacher...

I'll put
on the
heater.

I'm sorry.
It's getting
chilly
outside
too.

The fuse
blew.

I'm sorry.
I must
have
overdone
it.

Ah...

Huh?

Uh!
Professor
that's my...

No,
I'll do

I'll do

Professor?!

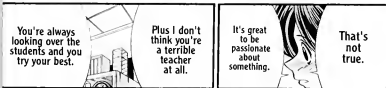

Aaah!
I dropped

Because
of the
way I

I'm still
a terrible
teacher...

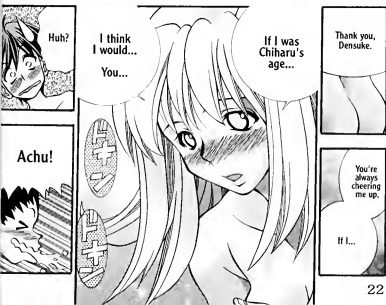

You're always
looking over
the students
and you
try your best.

Plus I don't
think you're
a terrible
teacher
at all.

It's great
to be
passionate
about
something.

That's
not
true.

Huh?

I think
I would...

Thank you,

We're here but...

Remember how I ate at the cultural festival and Udon party?

I think...

Yes but you're my friends

Is this "members only"?

so you don't have to worry.

There's lot of people.

Is this a VIP gym?

I saw that guy on TV...

Let's go Densuke!

I wasn't expecting it to be so big.

I'm tall and I have big boobs.

I need a lot of nourishment because

I don't think your boobs have anything to do with it.

I better go on a diet.

No problem.

Sure.

All right!

Would everyone else like to come?

M... Me?

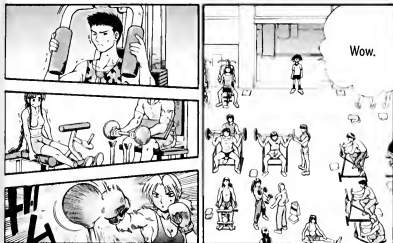

Densuke said he wants to go on a diet. Will you take us?

I heard your company opened a fitness gym recently.

Hey Lin.

Yes we did.

I wonder if Komee has any clue how big her chest is...

.....

This must be the martial arts floor.

Whoa!

You'll be able to do it if you lighten it.

You have too much weight on.

I'm trying but I can't have enough strength.

I made it really light.

That's strange.

Huh?

It's lighter but I can't do it all the way.

We're doing Judo!♥

Urr!

What are you doing here?

Densuke!

I like watching but it's not for me.

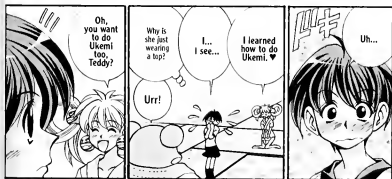

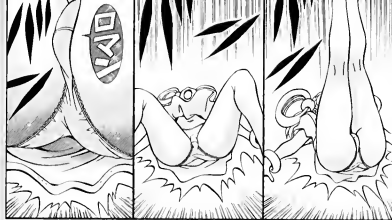

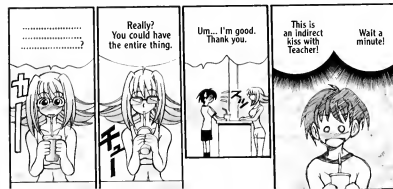

Hello!

Lin! Teddy!

It kind of hurts...

Densuke!

No, we just got here too.

Did I make you wait, Chiharu?

Long time no see, Densuke!

Yeah, long time no see.

An amusement park?

Huh?

Remember when you came to my house?

Kazu really likes you and he wants you to come.

I'm taking Futaba and Kazu.

I won it in a raffle from the shopping district.

Would you like to come?

I'd be happy to come along!

But I understand if you're busy...

She squeezed back during the ghost camp.

No...

Komoe, have you ever had alcohol?

But the more I eat the more I feel sick...

But Kirika said alcohol is good for you.

I'm going to eat a lot and get healthy...

No, I have to punish myself!

I'm making a student apologize... but I can't apologize...

Huh? She's gone.

Huh?

I don't remember seeing her in the Eiken Club.

About games...

I swore to myself I wouldn't play videogames while doing Eiken but I bought one game and learned old habits die hard... (I love videogames so... I have no willpower!!!)

Might as well talk about the games I'm playing... (In random order) I haven't had time to play since New Years... On my PS2 Tokimeki Memorial 3 (Cleared it with the main girl) I lent it to my assistant and he beat the game with all the girls. Metal Gear Solid 2 (I pulled all-nighters during my New Year's break. Otacon is great. Gradius 3 & 4 because I like it. Final Fantasy X (I'm still only on the beginning) Netto de Ron, I bought it because I like the artwork but I don't know how to play Mahjong. On my PS... Dragon Quest IV (I beat this and MGS2 during the New Years break. Ganpare, because it's popular... Tokimeki Memorial Puzzle Dama, to play with my assistant. On my Dreamcast... Sakura Online, but I've only played it a little bit. I'm Moe-ing for Kokuriko! I'm playing Paris and my assistant is playing Teito. On my Gameboy Advance... Mario (I used to play this religiously back in the day) Gradius (My friend on the train) On the Game Cube... Pikmin (I haven't beaten it yet but it's great!) Smash Brothers (Even my assistant is hooked) Doubutsu no Mori (I'm late with my rent payment)

Chapter 34: I dream of --!!

Autograph Sessions: 1.20.2002, I did my first autograph session at Gamers in Akihabara.♥ I was so happy to see over two hundred fans come in the cold. That time was really for me because I was doing the cover for Champion and the opening color pages.

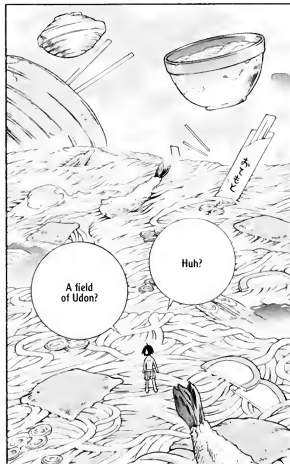

Because of my lack of sleep I made a few mistakes in the artwork and autographs... (Sorry...) but still I had a great day and I'm very thankful to the people who organized it. I'd love to have another autograph session sometime again.

P.S. The Candy and Dojinshi gifts were very tasty. Matsu♥
